

### **Huntsville/Madison County Chamber Announces 2020 Winners for Best Places To Work®**

HUNTSVILLE, Ala. (June 18, 2020) - The Huntsville/Madison County Chamber is pleased to announce this year's winners for our annual Best Places To Work® Awards!

We usually celebrate with companies in person, but held the awards virtually this year due to COVID-19. On June 17, we hosted the event at the Chamber and brought companies in live via Zoom, streaming the event online.

Companies win based on employee surveys, and results are tabulated by Quantum Workplace and kept confidential prior to the event. We surprised the winning companies and brought them up to make their acceptance speeches, and it was great to see several celebrate with their teams, some using streamers and confetti.

It's a serious matter of pride to win - congratulations!
