SIMTECH WINS OASIS POOL 4 SMALL BUSINESS CONTRACT

Huntsville, AL, June 1, 2020– Simulation Technologies, Inc. (SimTech) is pleased to announce it was awarded a One Acquisition Solution for Integrated Services (OASIS) Small Business (SB) contract for Pool 4, NAICS 541715. SimTech was one of 64 companies chosen for this contract, in a nationwide competition that likely included hundreds of companies. Award of this contract signifies SimTech’s accomplishments in providing engineering services and opens up opportunities to serve many more customers. OASIS is a multiple award, Indefinite Delivery Indefinite Quantity (IDIQ) contract through the General Services Administration (GSA) that provides flexible and innovative solutions for engineering and scientific services.

“SimTech is honored and pleased to have been selected in this competition and we look forward to bidding on opportunities to support our country’s warfighters,” SimTech CEO Dr. Annie Saylor said.

For more than 37 years, SimTech, a Huntsville, Ala. based woman-owned small business, has consistently provided quality engineering and technical solutions to the U.S. Army by means of radar and optical simulations, systems engineering, cyber security, logistics and programmatic support.
