## SIMTECH MOVES UP ON THE 2020 INC. 5000 LIST

Huntsville, AL, 1BAugust 12, 2020– Simulation Technologies, Inc. (SimTech), a Huntsville, Ala. based, woman-owned small business, is pleased to announce that we have once again been ranked in the Inc. 5000 Fastest-Growing Private Companies in America. This year, SimTech rose nearly 900 places in the list over our ranking last year and nearly half the ranking level we were in 2017. SimTech recently opened an additional 5,000 sq. ft. of office space in our Huntsville’s Cummings Research Park corporate location and renovated a 10,000 sq. ft. area for classified processing.

*“SimTech growth is directly attributable to our tradition of responsive, quality support to our Government customers. We were founded on the belief that small business offers innovations and efficiencies with agility to meet customer needs better than many larger businesses,” SimTech CEO Annie Saylor said.*

For 37 years, SimTech has consistently provided quality engineering and technical solutions to the U.S. Army by means of radar and multispectral simulations, systems and test engineering, logistics, cyber security, and programmatic support. SimTech was a 2020 “Best Places to Work” winner in the Huntsville Chamber of Commerce awards and is a current nominee for a Small Business award. SimTech is an Express BPA holder as well as an OASIS prime contractor and is an active teammate with numerous Huntsville-based defense contractors.
